GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

G. O. No. 3621-81—C. B. 162-43-1, dated 6th April 1944.

Controller of Civil Supplies.

Sanctions the appointment of the —— for the administration and enforcement of control orders.

ORDER No. 3621-81—C. B. 162-43-1, DATED BANGALORE, THE 6TH APRIL 1944.

Owing to conditions created by the war, Government have issued from time to time a number of Control Orders, following those issued by the Government of India under the Defence of India Rules. Nearly 44 control orders (apart from those relating to Food Grains) are now in force in the State. At present, the power for administering most of these orders is vested in the Director of Industries and Commerce, who is finding it difficult to cope with the work in addition to the normal duties of his office, which are by themselves heavy and multifarious. It is therefore considered necessary to post a senior officer of the status of a Deputy Commissioner possessing business experience to devote his full time and attention to this work. The officer selected will be entrusted with the administration and enforcement of all the Control Orders except those relating to food, silk, motor tyres, tubes and spare parts and house rent.

The necessary staff, which would include the staff at present employed on this work in the office of the Director of Industries and Commerce and the Iron and Steel Controller, with suitable additions, will be placed at the disposal of this officer.

Government are accordingly pleased to sanction the appointment of an officer designated the Controller of Civil Supplies, with the rank and status of a Deputy Commissioner for the administration and enforcement of control orders referred to above for a period of one year in the first instance. Separate notification will issue appointing the Controller of Civil Supplies.

Government consider it desirable to constitute suitable Advisory Committees to advise and help the Controller in regard to the working of the different controls. The Controller is requested to submit proposals in the matter at an early date.
